

# JOHAN ATTERFORS

STUDENT IN COMPUTER SCIENCE AND ENGINEERING, YEAR 3  
CHALMERS TEKNISKA HÖGSKOLA

## UNIVERSITY COURSES

52.5 hp math.  
30 hp programming in different environments/languages.  
37.5 hp computer science.  
15 hp project courses.  
15 hp signal- and control theory.

## GENEREAL SKILLS

Computer skills and experience in Java, Assembler, Haskell, C, Erlang and Python.

Driver's license AM/B and truck card for A1-4 and D1.

Languages: Swedish, native  
English, professional  
German, intermediate

## EXPERIENCE

**JANITOR • ISS/REGION ÖSTERGÖTLAND • EVERY SUMMER SINCE 2017**  
Delivering and ordering clothes and consumables to different hospital wards. Learned a lot of work ethics and the general service profession.

**SKITEACHER • ROT-WEISS-ROT • 2018-02-02 TO 2018-04-08**  
One of the most fun and challenging jobs I have had. Worked and lived with many different people of different nationalities. Gave me a lot of life experience and learned much in communication. Holds certificate for Landesskilehrer 1 in Austria.

**TEACHING ASSISTANT • CHALMERS/GU • 2019-08-19 TO 2019-09-13**  
TA for new students at the D-program at Chalmers. Guided and taught ways to think in programming, mostly in Python.

## EDUCATION

**HIGH SCHOOL DEGREE • 2017-06-16 • BERZELIUSSKOLAN**  
Teknikprogrammet, Teknikvetenskap or technology focused.

**BACHLEOR'S DEGREE • 2018-09-03 TO 2021-06-06 • CHALMERS**  
Major in Computer Science and Engineering.

**ANWÄRTER • 2018-02-03 • SBSSV**  
First level ski teacher in Austria.

**LANDESSKILEHRER 1 • 2019-11-19 • SBSSV**  
Second level ski teacher in Austria.

About me: Forward and enjoy new challenges and love learning new approaches to problems. Calm and methodic comfortable working with new people from many different nationalities.
